

# Be a Star

## Special Messages

### Love Messages

- May this star always remind you of the love we share.
- To the star in my life.
- You light up my life
- You are my shining star.
- This is the closest I can come to giving you a shooting star.
- I can't give you the Universe, so this is the next best thing.
- The star in my life – You make my Valentine's Bright.
- My love for you shines as bright as this star.
- Together in the night sky tomorrow.
- May our (your) love last forever, like this star.

### Graduation

- Congratulations on your Graduation.
- Your future is as bright as this star.
- You will always be the brightest star in my heavens.
- The sky is the limit. Shine as bright as you can!

### In Memory

- Her (His) memory will shine in our hearts forever.
- His (Her) spirit will shine on forever.
- Look up and you will see our beloved \_\_\_\_\_ for eternity.
- You were always my guiding light – Now you will shine forever.

### Special Occasions

- Happy Birthday
- Merry Christmas
- Happy Valentine's Day
- Happy Anniversary
- Happy Mother's/Father's Day

### General

- To us you will always be a star.
- A tiny light to guide your way.
- A star to shine bright and watch over you always.
- You will always be the brightest light in the heavens.
- A little star away up high is staring at us from the sky.
- Starlight, Star bright – you are the first star I see at night.
- Stars are windows to heaven.
- A little piece of heaven for my little angel.
- A star for a friend who is "Out of this World."
- A nightly reminder of our love and friendship.

Edmonton Space & Science Foundation
