EDMONTON SPACE & SCIENCE FOUNDATION

SCIENCE PRESENTER

PART TIME (UP TO 3)

POSITION SUMMARY:

Under the direction of the Director of Science, and through the TELUS World of Science - Edmonton Interpretive Program, the Science Presenter is primarily responsible to ensure general public visitors enjoy a broad learning and entertainment experience.

As a Science Presenter, this individual must engage all visitors by initiating conversation and interpretation of programs and exhibits. Possess thorough knowledge of all gallery exhibits, programs and science and technological concepts demonstrated at the TELUS World of Science - Edmonton. They must stimulate visitors to seek further information through interaction with exhibits, live science, and planetarium shows. This individual must also create an atmosphere of excitement, curiosity, and wonder.

The Science Presenter reports to Director, Science with supervision by Public Program Supervisors.

DUTIES AND RESPONSIBILITIES:

- The Science Presenter must be an outgoing and enthusiastic staff members who can turn even the most ordinary of moments into ultimate experiences for TWOSE visitors.
- Confident communicator who can engage and excite visitors of all ages by initiating conversation and demonstration of programs and exhibits to promote discoveries of lifelong learning
- The Science Presenter will lead inquiry and skill based activities and programs, be responsible for the care and safe use of activity material and exhibit spaces.
- Ensure program components are set up and all areas are cleaned appropriately.
- Operate various computer and electronic equipment used in the galleries and theatres
- Provide superior customer service for all programs and respond to visitor inquiries about TELUS World of Science - Edmonton, our programs and general science related questions.
- Identify any deficiencies in exhibits and report to Supervisors
- Positive Role model for TWOSE volunteers and thrive as part of team of people with diverse backgrounds
- Science Presenters will be trained to work in the galleries and those who demonstrate aptitude, knowledge and responsibility may also be trained to work in the Planetarium and Live Science Stage locations

QUALIFICATIONS:

Knowledge and Abilities:

- Demonstrated passion for the arts, sciences, facilitation, inquiry and working with visitors of all ages
- Strong outgoing personality with the desire to share, collaborate, create and experiment with others.
- Proven experience in public speaking, customer service, delivering of programs, and working both independently and as part of a team.
