AFFILIATION: CSU 52

EMPLOYMENT OPPORTUNITY
INSTRUCTOR – SCIENCE EDUCATION – GRADE 6 REVIEW (up to 2)
TEMPORARY FULL-TIME MAY 3, 2018 - JUNE 20, 2018 (depending on bookings)

As an Instructor, this individual must proactively engage, inform and stimulate students & teachers by providing knowledgeable instruction and explanation of procedures and observed results in activities. An instructor possesses thorough knowledge of all curriculum based school science education programs, and the necessary skills and knowledge to operate all specialty equipment used in the presentation of programs. Presentations may occur on-site, at client locations or via technology.

Instructors are involved with providing input into the assessment of overall program effectiveness and future program development.

DUTIES: In conjunction with and under the direction of the Director of School Programs and supervision of the Program Assistants, the incumbent will be responsible for the following:

- Present curriculum based school science education programs to school groups, students and teacher in-service sessions.
- Respond in a knowledgeable manner to requests for information on the TELUS World of Science - Edmonton, our programs and science related questions.
- Ensure all materials, supplies and equipment is available, prepared, in working condition and in the appropriate areas according to organization standards.
- Liaise with group leaders and teachers to promote on-going relationships.
- Participate in the assessment, evaluation and development of science education programs.
- Ensure the safety of all program participants.
- Other related duties as required.

QUALIFICATIONS:

Knowledge & Abilities:

- Public speaking, teaching, or theatrical experience.
- Excellent oral and written communication skills.
- Bilingual (English/French) is preferred.
- A working knowledge of general science.
- Familiar with the Alberta Education Science Curriculum.
- Must have general knowledge of science lab practises.
- Knowledge and experience in early childhood education preferred.
- Technical aptitude.
- Excellent customer service skills.
