Participant Commitments & Workshop Schedule

We want to make sure that this program is a good fit for you and your schedule. Please review the commitments and check the box below to indicate that you are available for ALL of the program requirements.

- Participate in the Science Communication Short Course by attending 4 workshops at TWOSE:
 - Workshop 1: Saturday, March 10, 1-4pm
 - Workshop 2: Saturday, March 17, 1-4pm
 - Workshop 3: Saturday, March 24, 1-4pm
 - Workshop 4: Saturday, April 7, 1-4pm
- Work individually to develop a hands-on activity related to your current work. The activity will be run with the public in the fifth and final session:
 - Activity Showcase: Saturday, April 14, 1pm – 5pm
- Participate in a minimum of three, Research Zone public programs at TWOSE over the next year. These are Saturday afternoon programs featuring Communication Fellows with their hands-on activities interacting with guests.

I understand and agree to the commitments described above

The Short Course runs approximately two times per year. If the program isn't a good fit this time, but you would like to be placed on an interest list to hear about future opportunities, please email Marie McConnell at
