Event Space Opportunity

At TELUS World of Science – Edmonton, inspiration is guaranteed for your next event. Our unique facility offers a world within a world. Every occasion is interactive, memorable and engaging.

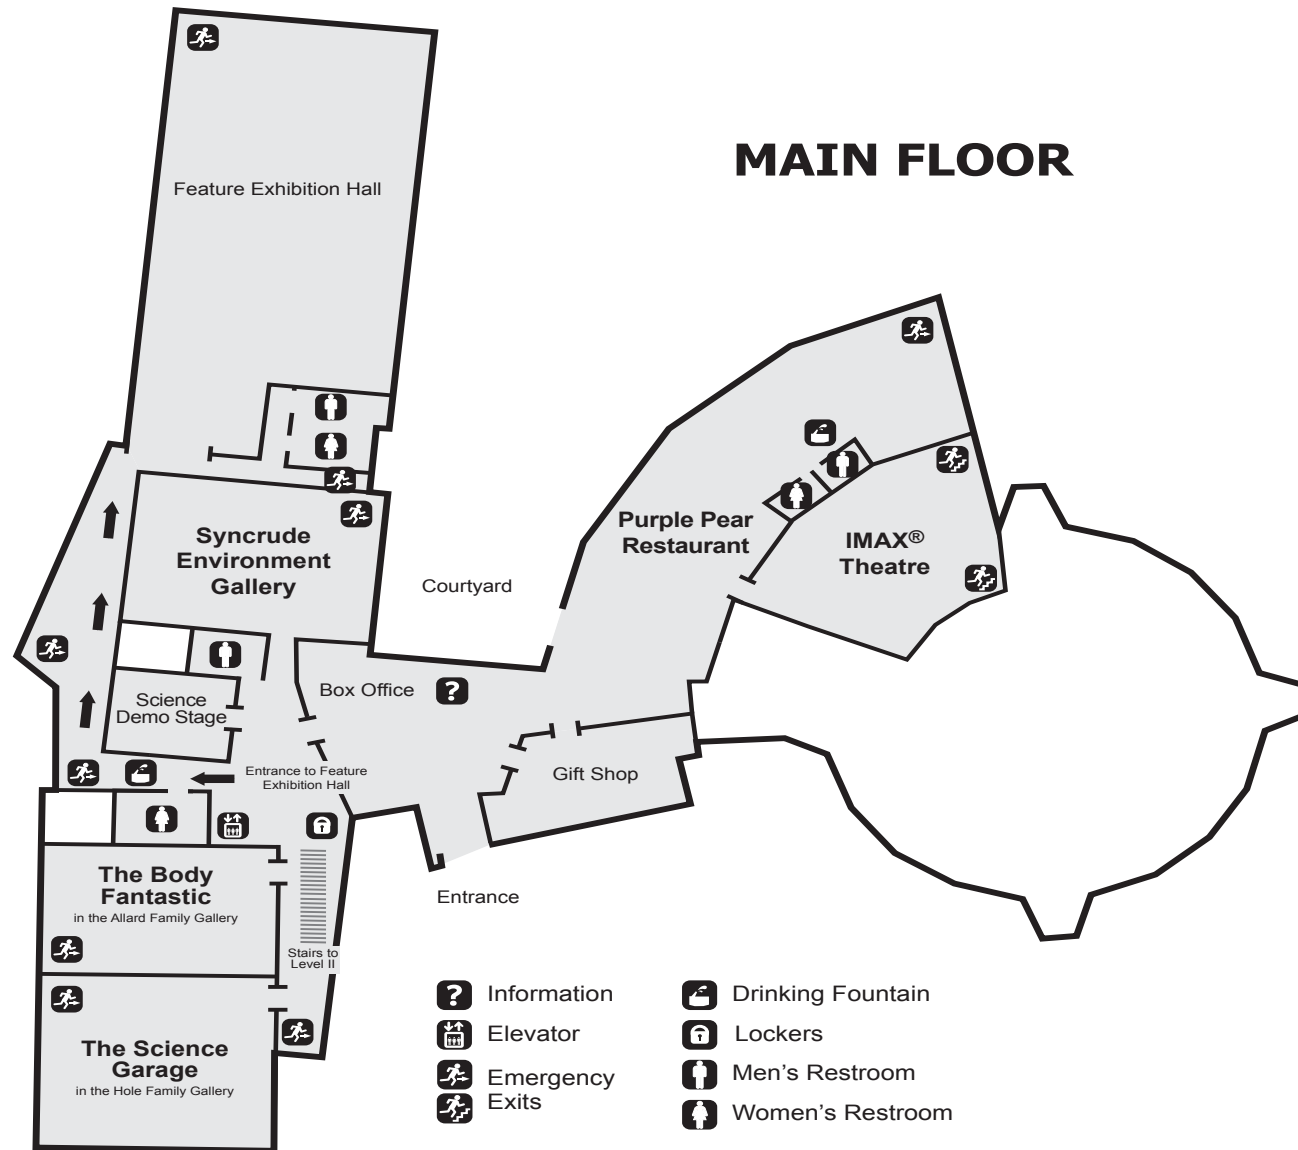

TELUS World of Science - Edmonton offers multi-level, floor to sky windows and has the ideal atmosphere for cocktail functions, luncheons or dinners. Our Skywalk and Lobby are perfect reception spaces. From there, move on to a dramatic presentation in the IMAX® Theatre, or a team-building activity in *The Science Garage*.

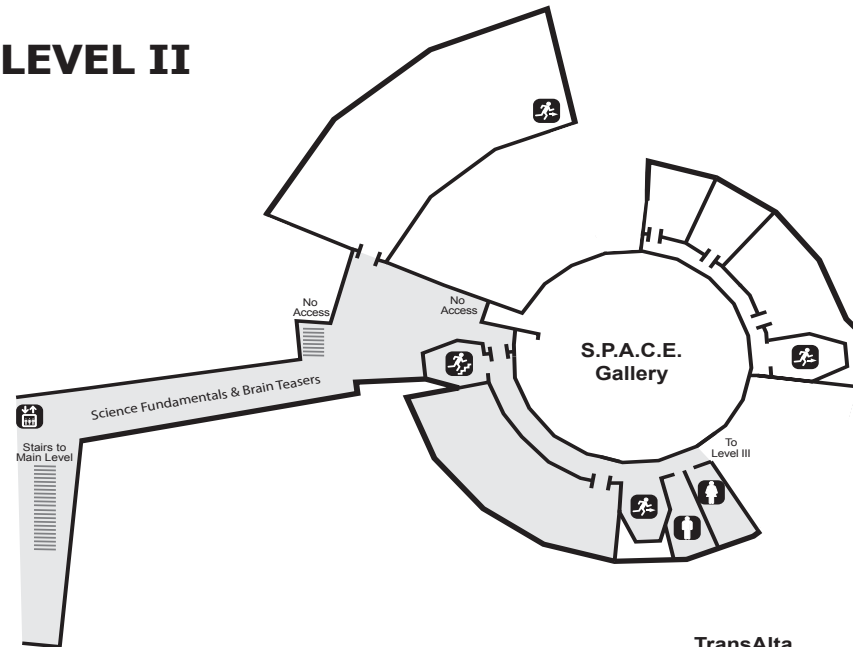

We offer a variety of amenities, interactive and engaging displays, and entertaining spaces to captivate the imagination. You can do exclusive, after-hours rentals of our facility, or use specific spaces while the centre is open to the public.

Main Areas

Entire Facility

Features

- Includes permanent Exhibit Galleries, front Lobby area, and ESSO Skywalk
- Feature Exhibition may be added to your event package

Turn our science centre into your private event with an entire facility rental. Use as many of our permanent themed galleries and public spaces as you see fit! The unique setting creates a memorable, lasting event as the galleries can enhance your programming. The unique layout of the facility provides many options for building an exciting event that will be talked about for years.

Main Areas

Feature Exhibition Hall

10,000 sq ft

This Exhibition Hall with connecting walkway, was built to better accommodate travelling exhibitions.

Past attractions include: *STAR WARS™ Identities*, *BODY WORLDS: The Cycle of Life*, *Indiana Jones and the Adventure of Archaeology*, *Harry Potter™: The Exhibition*, *Dinosaurs Unearthed*, *Beyond Rubik's Cube*, *The International Exhibition of Sherlock Holmes*, *The Science Behind Pixar Exhibition*, and *POPnology*.

Add a unique experience to your event by having your guests see the feature exhibition!

Main Areas

Front Lobby

5,717 sq ft

Sweeping floor to sky windows create a world of welcome in the lower level Lobby. This is an inviting and inspirational reception space. A perfect place for appreciating, and welcoming your guests. With a beautiful Skywalk overhead that provides a unique feel to the area.

Features

- Open and airy for a unique setting
- This area is the focal point for the facility
- Easy access to IMAX Theatre, Outdoor Courtyard, and Purple Pear restaurant

Main Areas

ESSO Skywalk

884 sq ft

Features

- Includes the APEGA Bridge spanning the lobby
- Easy access to upper exhibit galleries & Zeidler Dome theatre
- Includes interactive *Mind Game* exhibits

Lofty, spacious and luxurious, the dramatic Skywalk reception space overlooks the lobby area and is full of natural light. The Skywalk's sophisticated atmosphere is perfect for after-hours receptions as guests enjoy a bird's eye view of the centre. The Skywalk corridor can accommodate sign-ins, sit-down dinners, or stand-up receptions for awe-inspiring, after-hours occasions.

Theatres

IMAX

Seats - 190

Put your next awe-inspiring presentation on Alberta's largest screen. This theatre is a unique presentation venue for nearly any form of media presentations and private film screenings. Add excitement and use the theatre for a private viewing of any of the films in our IMAX library. The IMAX 4K laser projector is used for presentations and the sound system provides 17,000 watts of power. A customized podium with data hook-ups and microphone can be raised and lowered from the in-floor lift. You've never seen your PowerPoint this BIG!

Features

- IMAX laser 4K projection system
- Built-in customizable podium with AV connections
- Stage with hidden podium on a lift
- Access to IMAX Lobby area

Theatres

Zeidler Dome

Seats - 200

Features

- 10K Resolution Theatre

From the outer edges of the universe, to the core of the atom, audiences will explore science like never before in this digital visualization theatre we call the Zeidler Dome. This will be a 21st-century digital visualization theatre, connecting scientific research with computer visualization and 10K resolution.

Theatres

Science Demonstration Stage

Seats - 80

Features

- HD projector with HDMI input
- Lavalier microphone and podium
- Science Demonstrations - additional fees may apply

This stage has rounded, theatre style bench seating. With AV capabilities, it's perfect for seminars, presentations and demonstration performances. Our staff scientists are available to conduct a variety of private, science demonstrations, to enhance any presentation upon request.

Meeting Rooms

Boardroom

Seats - 20

Features

- Kitchenette
- HD projector with HDMI input
- Conference call set-up
- Whiteboards & flipcharts
- Wifi

If you are looking for somewhere new and exciting to hold your next offsite meeting, the Boardroom is the perfect setting. Intimate and professional, the room offers a view of Coronation Park. A great place to host breakfast or luncheon meetings, an attached kitchenette makes catering convenient.

Meeting Rooms

Winspear Learning Centre

Seats - 100 / 36 each

The Winspear Learning Centre features three rooms. Available for use as seminar rooms, training or meeting rooms that can sit up to 36 people per room. The rooms feature a removable wall that can be folded away to join the rooms together to form a large room, that can accommodate up to 100 people.

Features

- Removable wall to expand space
- Multifunctional
- Presentation equipment available

Meeting Rooms

Park View

Seats - 20

This meeting room features an area that is perfectly fit for whatever your needs may be. This room can be set up to meet your requirements while giving the flexibility to change on the fly.

Features

- Multifunctional
- Can be set up to your requirements

Galleries

Syncrude Environment Gallery

3,937 sq ft

The award-winning *Syncrude Environment Gallery* features interactive exhibits unique to our centre. The centerpiece of the gallery is Science on a Sphere - an iconic 6-foot diameter projection system used to visually enhance presentations on environmental science. Four other areas of the gallery present interactive exhibits among four themes: Ice Detectives, Rock Hounds, Eco-Explorers, and Storm Trackers.

Immerse yourself in the carnival of *The Body Fantastic* where large 3-dimensional models let you experience how our bodies work, how our brains make sense of the world around us and, best of all, everything weird about our bodies in the Gallery of the Gross! The gallery is also home to RoboThespian™.

Galleries

The Science Garage

in the Hole Family Gallery

3,958 sq ft

The Science Garage is an energetic space that encourages guests to create, compete, and build their way through a variety of stimulating challenges. You can bust a move on the Kinetic Dance Floor, strike a pose for the Frozen Shadow Wall, traverse the Freedom Climber Wall, design your own flying aircraft at the Vertical Wind Tunnels or learn all about energy at the Magnetic Ball Wall.

You can also roll up your sleeves at *The Science Garage's* dedicated Maker Space: The Workshop. The Workshop comes equipped with work benches and is fully stocked with building materials. Our staff scientists are available to facilitate experiments.

Galleries

S.P.A.C.E.

5,210 sq ft

The *Space, Planets, Astronauts, Comets, Etc Gallery* is TELUS World of Science - Edmonton's newest gallery. You can drive a rover on the moon, pitch a baseball on Mars and discover how a piece of the moon ended up at the science centre.

Catering

A Delicious Solution

The Purple Pear restaurant, led by Executive Chef Dave Surtees and Sous Chef Laks, have worked hard to develop inspired new menu items, and are excited to show their culinary brilliance to help theme any event.

TELUS World of Science - Edmonton's Purple Pear restaurant is fully-equipped to cater any event. Our culinary team will work with you to build a menu suitable for any style event, and any size.

Catering

The Purple Pear
