

Longest running permanent Exhibit Gallery to close at TELUS World of Science - Edmonton

- WHAT:** Media are invited to come out and have one last chance to see *The Body Fantastic* before it closes as part of *The Aurora Project* reimagination.
- WHEN:** **Before September 2, 2019**
5:00 p.m.
- WHERE:** TELUS World of Science – Edmonton
11211 142 Street, Edmonton, Alberta
- WHO:** Dan Alfano, Director - Science Experience, will be available for interviews
- WHY:** For almost 20 years *The Body Fantastic* in the Allard Family Gallery has been a favourite among science centre guests. Over the years families have delighted as they put together a giant X-Ray puzzle, had chats with RoboThespian™ or played music on the infamous 'Fart Organ'. As our longest running exhibit gallery, *The Body Fantastic*, holds a special place in all our visitors' hearts. As we look at the future of TELUS World of Science - Edmonton and bringing new experiences to Edmonton, we are excited to bring an all new health gallery to life in late 2020.
- VISUALS:** Capture visuals of guests as they enjoy several favourite exhibits within the Allard Family Gallery, such as RoboThespian™, Balance Test, infamous 'Fart Organ', and Giant Tongue.
