

***Great Bear Rainforest* in IMAX® takes audiences to one of the last wild places on Earth**

WHAT: Media have an exclusive opportunity to interview **Tim Archer**, who completed the amazing sound design and mix for the film, *Great Bear Rainforest* in IMAX.

WHEN: **Wednesday, September 18, 2019**
Between 6:00 a.m. and 3:00 p.m.

WHERE: TELUS World of Science – Edmonton
11211 142 Street, Edmonton, Alberta T5M 4A1
OR at your studio

WHO: Tim Archer, Creative Director and Sound Designer with Masters Digital recorded the amazing sounds captured during the filming of *Great Bear Rainforest*.

For over 30 years Tim has been recording, designing and mixing audio for the Giant Screen and Themed Attractions. He has received MPSE “Golden Reel” Awards for Giant Screen film projects such as *The Human Body* as well as *Pirates*, a Themed Attraction project. Tim is also Co-Producer and Sound Designer for the Giant Screen production, *Global Soundscapes: Mission to Record the Earth*, an interactive theatre show about the science of sound and soundscape ecology. Most recently Tim has been on location recording for *Superpower Dogs* and has completed sound design and mix for *Great Bear Rainforest*.

HOW: **Media interested in interviewing Tim, for morning shows and early afternoon shows, on September 18 are encouraged to contact Christina Weichel at cweichel@twose.ca or call 780-452-9100 ext. 2233.**

Media are also invited to take in his presentation at 7:00 p.m. at TELUS World of Science followed by the screening of the film.
