

Canadian Space Agency Gives a Virtual Presentation to Young Campers

- WHAT:** Media are invited to attend a presentation by Magdalena Wierus of the Canadian Space Agency at TELUS World of Science – Edmonton. This special presentation is part of the science centre’s S.P.A.C.E. Explorers camp, and will be delivered virtually via a Zoom video conference call.
- WHEN:** Tuesday, February 18, 2020
11:00 a.m.
- WHERE:** TELUS World of Science – Edmonton
11211 142 Street, Edmonton, Alberta
- WHO:** Magdalena Wierus, Project Engineer on the RADARSAT Constellation Mission, Canadian Space Agency (CSA)
- HOW:** Wierus will host a 30 to 40 minute presentation, via Zoom video conference call, for children participating in the S.P.A.C.E. Explorers camp at TELUS World of Science – Edmonton. Included in the presentation will be a Q&A, where campers will have the opportunity to ask questions of Wierus.
- VISUALS:** Live video feed of Wierus’ presentation. Several campers have approved photo/video releases allowing for video/photography and interviews.

- 30 -

About TELUS World of Science Edmonton

TELUS World of Science – Edmonton's mission is to: Ignite curiosity. Inspire discovery. Celebrate science. Change lives. We are the destination to engage Albertans' hearts and minds in science. The Edmonton Space & Science Foundation is a non-profit organization that operates TELUS World of Science – Edmonton.

About Magdalena Wierus

Wierus joined the Canadian Space Agency in 2009 as a Software Systems Engineer for the Canadian robotics contribution to the International Space Station (ISS) program. Wierus has also worked as project manager for the same program. Today, Wierus supports the Space Utilization sector within the CSA, as a Project Engineer on the RADARSAT Constellation Mission, and is the Deputy Lead for the Junior Astronauts campaign.
