

The Ultimate Virtual Fundraising Party is coming to a Kitchen near you

Music, Laughter, Science, and More!

EDMONTON, Alberta – September 16, 2020 – TELUS World of Science – Edmonton invites friends near and far, to gather for their annual fundraising event, **LUMEN**. But this year, instead of coming to the science centre, the science centre is bringing the party to *you* with the **LUMEN Kitchen Party** on October 16, 2020, from 8:00 p.m. to 9:30 p.m. MST.

The Kitchen Party is a time-honoured tradition that began on Canada's East Coast, bringing friends and family together for makeshift jam sessions, comfort food, drinks and laughter.

Welcome that lively party atmosphere into *your* kitchen and celebrate science with:

- Live performances by music stars **Brett Kissel**, **JJ Wilde** and **Mike Plume**, comedian **Andrew Grose**, and more!
- A mouth-watering Dinner and a Wine Pairing* from Edmonton restaurants *RGE RD* and *Guru*.
- A delicious menu of exciting DIY science experiments, such as a Pumpkin Spice Explosion, Chocolate Mousse emulsions, and crafting your own cocktails – with a science twist.
- An online Silent Auction, and 50/50 Raffle.
-

All from the comfort of your own kitchen!

Tickets are just \$20 + GST per kitchen.

**The Dinner and Wine Pairing is a ticket add-on for an additional fee. Not included in cost of ticket.*

For tickets and details: twose.ca/kitchenparty

The **LUMEN Kitchen Party** is a virtual fundraising event, in support of science education in our community. The support we receive helps us continue to provide fun and exciting outreach programs that provide much-needed resources for educators and enrich student learning. This is an 18+ event.
