**New Feature Exhibition
Expedition: Dinosaur
opens at TELUS World of Science – Edmonton
in early 2021**

Discover a world of giants!

EDMONTON, Alberta – December 26, 2020 – Travel back in time and walk among the largest creatures to ever call Earth home, when you visit TELUS World of Science – Edmonton’s newest feature exhibition, ***Expedition: Dinosaur***, slated to open in early 2021.

Guests will step back in time to a pre-historic world, surrounded by life-size and lifelike animatronic dinosaurs. Realistic sounds and movements create an encompassing atmosphere, as you become immersed in a land of ancient beasts.

As you journey through the exhibition you will learn all about the everlasting hunt for dinosaur fossils in the early 20th century and discover the painstaking methods paleontologists use to uncover and preserve these hidden marvels.

Guests of all ages will step into the shoes of paleontologists and archeologists, exploring interactive cabinets filled with excavation artifacts and fossils, including the chance to practice the delicate art of extracting dinosaur bones from the earth.

Expedition: Dinosaur Vouchers are On Sale Now!

Vouchers are redeemable for tickets to ***Expedition: Dinosaur***, so you can be among the first to experience this incredible exhibition when it opens in the New Year.
