

## Celebrate the Canadian Premiere of *One Sky* at TELUS World of Science - Edmonton

**WHAT:** Media are invited to the Canadian premiere of *One Sky*, a brand-new planetarium film screening in the 360° Zeidler Dome Theatre at TELUS World of Science – Edmonton.

*One Sky* is a collection of seven short films, each representing a different culture or Indigenous perspective, that when combined tell a larger narrative that explores the connection to the stars shared by our world's many cultures and communities.

Media have an opportunity to interview Sébastien Gauthier, the film's producer, and are invited to take part in a Q&A session with Sébastien following the screening.

**WHEN:** **Friday, March 17, 2022**  
**12:00 p.m.** – Opening Remarks by Alan Nursall and Sébastien Gauthier  
**12:10 p.m.** – Canadian premiere of *One Sky*  
**12:55 p.m.** – Q&A session

**WHERE:** **TELUS World of Science – Edmonton**  
Zeidler Dome Theatre  
11211 142 St NW, Edmonton, AB

**WHO:** The following people will be available for interviews:

- Sébastien Gauthier, Film Producer, *One Sky*
- Alan Nursall, President and CEO, TELUS World of Science – Edmonton
- Frank Florian, Senior Manager, Planetarium and Space Science, TELUS World of Science - Edmonton

**HOW:** Any media interested in attending are asked to RSVP by emailing Brett Nestman at [bnestman@twose.ca](mailto:bnestman@twose.ca) by 8:00 a.m. on March 17, 2023.

Upon arrival, media are asked to check in with the media desk in the main lobby.

**VISUALS:** Creative assets for the film are available for media use and will be provided upon check in. The film screening will be open to select school groups. Students who have provided a consent form will be available for interviews following the film screening.

**Media contact:**

- Ursula Pattloch Director, Marketing & Communications, C: 780-982-5074, E: [upattloch@twose.ca](mailto:upattloch@twose.ca)
- Brett Nestman, Coordinator, Marketing & Communications, C: 780-999-8893, E: [bnestman@twose.ca](mailto:bnestman@twose.ca)

**About TELUS World of Science – Edmonton**

TELUS World of Science – Edmonton's mission is to: Ignite curiosity. Inspire discovery. Celebrate science. Change lives. We are the destination to engage Albertans' hearts and minds in science. The Edmonton Space & Science Foundation is a non-profit organization that operates TELUS World of Science – Edmonton.

**About Sébastien Gauthier**

Sébastien Gauthier is a filmmaker, dome specialist, 360° cinematographer (DOP) and a full-dome film director. His reputation in the planetarium community is well established through his stunning immersive visuals, technical expertise, award-winning films and innovative contributions to the thriving dome milieu. Since his first release in 2009, he has worked on more than twenty full-dome productions including the publicly acclaimed feature films *One Sky*, and *Aurōrae*.
