

Go prehistoric with *Dinosaurs - The Exhibition* at TELUS World of Science – Edmonton

- WHAT:** Media are invited to preview TELUS World of Science – Edmonton's next Feature Exhibition – *Dinosaurs - The Exhibition*, an immersive world of ultra-realistic animatronic dinosaurs and life-sized skeleton casts. This is an exclusive opportunity for media to preview the exhibition before it opens to the public.
- WHEN:** Thursday, March 21, from 10:30 a.m. to 12:00 p.m.
- WHERE:** TELUS World of Science – Edmonton
Feature Exhibition Gallery
11211 142 St NW, Edmonton, AB
- WHO:** The following people will be available for interviews:
- Constance Scarlett, President & CEO, TELUS World of Science – Edmonton.
 - Jennifer Gemmell, Staff Scientist, TELUS World of Science – Edmonton.
 - Christiana Garros, Paleontology Master's Student & Science Presenter, TELUS World of Science – Edmonton.
- HOW:** Any media interested in attending are asked to RSVP by emailing Ramona Franson at rfranson@twose.ca by 8:00 a.m. on March 20, 2024.
- VISUALS:** *Dinosaurs - The Exhibition* media preview allows you to discover this unique exhibition with opportunities to capture photography and video. Creative assets for *Dinosaurs - The Exhibition* are available and will be provided in a media kit upon check in. During the preview, the exhibition will be open to select school groups and students will have had signed photo releases.

Exhibition highlights include:

- Over 10,000 square feet of dinosaurs from around the world where guests can hear the dinosaurs roar, see them move, and compare how they measure up.
- Guests can get up close with favourites like the *Triceratops* and the *Tyrannosaurus rex*, along with many others, like a massive 65-foot actual-size *Diplodocus* skeleton replica.
- Dinosaur fans can embark on their own paleontological journey and try a detailed and realistic excavation with real paleontological tools, such as brushes, awls, and picks.
- There will also be a Tots Explorer Tent, where little ones can enjoy many fun activities like dino puzzles and stories! And with two dig sites, children will love the hands-on fun of uncovering fossil skeletons.

Dinosaurs - The Exhibition is enormous fun for all! Big and small.
