**The Edmonton Space & Science Foundation  
Arctic Presenter  
Part-Time**

Join TELUS World of Science – Edmonton (TWOSE) as we embark on our 40<sup>th</sup> trip around the sun! Situated in the heart of amiskwacîwâskahikan ᐱᑦᑭᓴᓴᐱᐳᑦᓴᓴᐱᐳᑦ in Treaty Six Territory and the Métis Homeland, we are the destination to engage Albertans' hearts and minds in science, with a mission to ignite curiosity, inspire discovery, celebrate science, and change lives.

We take pride in building a culture that is diverse, equitable, and inclusive. Science is for everyone, and the Science Centre team is as diverse as our guests. We encourage Black, Indigenous, and racialized peoples, persons living with disability and neurodiversity, women, sexual and gender minorities, and members of all minority groups to apply.

Be part of an organization that values diverse perspectives, identities, abilities, and expressions. From cosmic discoveries through telescopes to 'Aha!' moments under microscopes, join the Science Centre as we celebrate the endless possibilities of science for the next 40 years!

**THE OPPORTUNITY:**

TELUS World of Science – Edmonton is looking for outgoing and enthusiastic communicators, who can turn even the most ordinary of moments into ultimate experiences for TWOSE guests.

We are looking for an Arctic Presenter primarily for our *Arctic Journey* gallery. In your letter of application, please highlight any relevant skills, knowledge, and experience that you possess.

**POSITION SUMMARY:**

The Arctic Presenter will primarily work in our Arctic Journey gallery. This role is part of both the Indigenous Initiatives and Science Experience teams, which are coordinated by the Manager of Indigenous Initiatives and the Director of Science Experience

The Arctic Presenter role will include assistance in delivering programming within the Arctic Journey Gallery. They will create meaningful connections between Indigenous Ways of Knowing and Western Science (two-eyed seeing). This includes teaching about perspectives of nature and the universe as they relate to Arctic communities and their Worldviews. The incumbent will highlight Arctic connections to astronomy, ecosystems, ourselves, and each other, through Indigenous Ways of Knowing that are utilized to find equity and prominence aside Western Science.
