Exhibit Galleries

Arctic Journey

Host your next event in the Science Centre's newest gallery and take your guests on a journey to the Arctic. You and your guests will feel the Arctic as you climb aboard an Inuit dog sled and go for a ride across the snow-covered ice. Your event will truly come together around the focal point of the gallery, an Inuksuk.

Capacity : 100 people

CuriousCITY

Hands on giant water table, child size airplane and the unique River Valley tree house, what more could you ask for from an event space. Your guests will enjoy their inner-child as they gather in a miniature version of our great city, Edmonton.

Capacity : 50 people

Health Zone

Mix in hands-on science with your next event in the *Health Zone* and L.A.B (Learning About Biology). Guests will put on a lab coat and explore their own cheek cells under a microscope. Guests can challenge themselves to multiple physical tests, and their heart will truly get racing with the heart rate monitor.

Exhibit Galleries

The Nature Exchange

Host your next party in *The Nature Exchange* and step into the shoes of a natural history researcher. This space is a beautiful gallery where you can become natural history researchers and discover some of the amazing things in our very own backyard.

Capacity : 50 people

The Science Garage

Add a little challenge to your next event in *The Science Garage* and STEAMengine. Do you and your guests have what it takes to build the best wind turbine, or build the fastest car for the Rolling Racer Ramp? *The Science Garage* will help facilitate some amazing skill building for all of your guests from young to old.

Capacity : 50 people

S.P.A.C.E. Gallery

S.P.A.C.E. (Stars, Planets, Astronauts, Comets, Etc.) boldly take your next event to places where no one has gone before and blast-off on an action packed adventure through the universe. Relive the story of how a piece of the Moon made its way to the Science Centre. Command a lunar lander and see the Aurora Borealis. Test your guest's rocket launching skills and more. Truly an out of this world experience!

Capacity : 50 people

Theatres

IMAX® Theatre

Want to wow guests or clients with your next presentation? Easy, invite them to experience it on Albert's largest screen, in the IMAX Theatre. The IMAX Theatre includes an in-theatre stage and lectern that rises from the stage floor, ensuring your presenter is centre stage.

The Science Centre offers a variety of 45 minutes documentary films in the IMAX format. Films are available in 2D or 3D. Complete the theatre experience with snacks and drinks from the Purple Pear Concession.

You'll love the crisp, crystal clear pictures that will make you feel like you're right there!

Zeidler Dome

Get ready to reach new heights of excitement with our 360 degree theatre! This state-of-the-art venue features a top-of-the-line screen and sound system that will elevate your presentation to the stratosphere.

You'll feel like you're soaring through space as you take a digital tour to the Moon and beyond or discover the captivating stories of the Northern skies within the world-renowned Zeidler Dome. Get ready to be blown away and transported to new heights of excitement!

Science Stage

Get ready to blow your guests away with an unforgettable experience that will leave them in awe! Our cool and explosive science experiments are sure to put the 'wow' factor in your event, as they watch (and even participate in) mind-blowing demonstrations that will take their breath away. Get ready to hear lots of oohs and aahs as your guests are amazed by the magic of science!
