POSTING NO.: ESSF 1748 AFFILIATION: CSU52

The Edmonton Space & Science Foundation Instructor, Science Education Temporary Part Time (Up to 2 positions) January 20, 2025 – June 27, 2025

Join TELUS World of Science – Edmonton (TWOSE) as we embark on our 40^{th} trip around the sun! Situated in the heart of amiskwacîwâskahikan $\forall \Gamma^{n}b^{t}\dot{\prec}^{i}b^{t}\Delta b^{2}$ in Treaty Six Territory and the Métis Homeland, we are the destination to engage Albertans' hearts and minds in science, with a mission to ignite curiosity, inspire discovery, celebrate science, and change lives.

We take pride in building a culture that is diverse, equitable, and inclusive. Science is for everyone, and the Science Centre team is as diverse as our guests. We encourage Black, Indigenous, and racialized peoples, persons living with disability and neurodiversity, women, sexual and gender minorities, and members of all minority groups to apply.

Be part of an organization that values diverse perspectives, identities, abilities, and expressions. From cosmic discoveries through telescopes to 'Aha!' moments under microscopes, join the Science Centre as we celebrate the endless possibilities of science for the next 40 years!

POSITION SUMMARY:

Under the direction of the Manager, Education Experience, the Instructor, Science Education is primarily responsible for inspiring a love of science in young learners through the delivery of curriculum-based school science education programs, which may occur onsite, at client locations, or via technology.

The Instructor, Science Education brings our programs to life for students and teachers through their unique blend of instructive skill and passion for science. They possess thorough knowledge of our curriculum-based programs and are adept at utilizing the necessary skills and knowledge required to operate all specialty equipment used in program presentation.

Instructors also support the stewardship of our programs through program maintenance, input into the assessment of program effectiveness, and future program development.

DUTIES AND RESPONSIBILITIES:

In conjunction with and under the direction of the Director of Education and the Manager of Education Experience, the incumbent will be responsible for the following:

- Present curriculum-based school science education programs to school groups, students and teacher in-service sessions.
- Respond in a knowledgeable manner to requests for information on the TELUS World of Science – Edmonton, our programs and science-related questions.
- Ensure all materials, supplies and equipment is available, prepared, in working condition and in the appropriate areas according to organization standards.
